Your Resell Rights Licensing Text

This is the area where you will add your reseller rights licensing information. Whether your offer basic, or standard resell rights, master resell rights, or private label rights, your customers will appreciate you including this information within your ebook product as opposed to a separate PDF file.

Even if you only offer a personal use only type of product with no resell rights, it is always a good idea to put that information here also and be right upfront with your customers and what they can and cannot do with your product.

You could layout what can and cannot be done something like this:

[YES] You Can Resell This Product To Your Customers At Any Price You Wish. It Has A Suggested Retail Value Of \$x.xx.

[YES] You May Pass On The Same Resell Rights You Have Received To Your Customers.

[YES] You May Add This Product Within A Paid Membership Site.

[YES] You May Package This Product And Sell With Other Products. Strict Limit Of 4 Total Products Can Be Included When Reselling.

[NO] You May Give This Product Away For Free.

[NO] You May Make Any Changes To This Product.

[NO] You May Resell Private Label Rights To This Product.

And so on, and so forth.
